

# What to Bring

Here is a checklist of suggested items for incoming students. Although every student has different needs, we have starred (\*) a number of items that we believe are essential. Please remember these items are NOT required and many items can be purchased later, once you have had time to settle into your space.

Make sure to check with your roommate/suitemates to avoid purchasing duplicates of agreed upon shared items or appliances. Friends and family who have attended college may also have additional suggestions on what to bring, ask them too!

Generally, each room includes a bed, mattress (size Twin XL), a dresser, a desk and desk chair, and closet space.
